To ensure that all 1 day forklift training requirements and expectations are clearly understood, please read the following information carefully, then sign and return to TP with all required evidence (see below).

- Forklift operation has been classed by as High Risk work since 1 September 2010.
- Training Prospects Forklift Operation course adheres strictly to Safework SA's High Risk license regulations.
- A two hour theoretical component and completion of a closed book written test is now compulsory for all participants, regardless of their level of previous experience (an additional hour is also allowed for calculations).
- Due to Safework SA's rigorous testing criteria, careful study of pre-reading material by all participants is strongly recommended: 33 of the test's critical questions require a 100% result, while 41 non-critical questions require a minimum 90% result.
- The 1 day program is *only* available to forklift operators with previous experience.
- Two items of evidence confirming previous experience must be provided to TP before the participant can be accepted into the 1 day course:
 - A copy of an expired forklift license
 - Documentary evidence confirming *recent* forklift operation experience (signed letter from employer, resume indicating recent forklift operation in work history, etc.)

Please sign below to indicate that you have read and understood the above conditions.
